

# “Growth Scenario of 3D Consumer Market 2011”

## The 3D New Wave and the Future Image

### INDEX

- 1 Executive Summary
- 2 3D overview surrounding 3D Consumer
  - 2.1 Trend of 3D movies
  - 2.2 3 major elements of 3Dconsumer and actual status
- 3 3D consumer market overview and the analysis of challenges .
  - 3.1 3D consumer on the resting-place
  - 3.2 Challenges for the growth of 3Dconsumer market [Market Growth]
  - 3.3 Challenges of Contents / Delivery [Contents/ Delivery]
    - 3.3.1 Actual status of contents delivery
    - 3.3.2 Expansion of screen size
    - 3.3.3 Challenges of 3D broadcasting format
  - 3.4 Challenges of technology [Techonology] .
    - 3.4.1 Challenges of 3Ddisplay technology
    - 3.4.2 Status of picture quality by 3D display technology .
    - 3.4.3 Positioning of 3D picture quality for consumers
- 4 Dirction of the solution for the challenges of 3D contents
  - 4.1 Rapid changes in content viewing environment
  - 4.2 Way of the future 3D contents
    - 4.2.1 Challenges of the 3D contents
    - 4.2.2 Relations between 3D display characteristic and 3D contents
    - 4.2.3 3D contents delivered on internet
    - 4.2.4 Web sites for 3Dcontents posting .
- 5 Trend of 3D technology and Analysis of future 3D consumer market .
  - 5.1 Trend of 3D technology
    - 5.1.1 Trend of technology of 3D Displaywith glasses
    - 5.1.2 Trend of technology of 3D display without glasses
  - 5.2 Market trend of 3Ddisplay
  - 5.3 DSC for Consumer
  - 5.4 Video Camera for Consumer
  - 5.5 Smartphone / Tablet PC
  - 5.6 Mobile Game Console
- 6 Growth scenario of 3Dconsumer market
  - 6.1 Essentials for 3D consumer market growth .
  - 6.2 Goals ahead of the growth

## 7 Long-term strategy supposed by 3D patent

### 7.1 Patent trend

### 7.2 Trend of R&D

## 8 Postures of each 3D related companies

### 8.1 3D showcase in IFA2011

#### 8.1.1 SONY

#### 8.1.2 PANASONIC

#### 8.1.3 TOSHIBA

#### 8.1.4 SAMSUNG

#### 8.1.5 LG

#### 8.1.6 Philips

### 8.2 IBC2011 summary report

#### 8.2.1 IBC2011 overview

#### 8.2.2 3D showcase

#### 8.2.3 SES Astra "The Future of 3D TV"

### 8.3 Hollywood 3D experience

#### 8.3.1 MasterImage 3D

#### 8.3.2 James Cameron
